Dear Mr. Schechter,

The American Association of Drugless Practitioners Certification & Accreditation Board has granted the Natural Healing Institute of Naturopathy full board professional accreditation and certification.

Your school's curriculum fully meets our accreditation board's educational requirements, and should give your students a thorough knowledge of courses set-forth by the Institute.

Graduates of your school will be eligible to apply to be board certified holistic health practitioners through the AADP.

We give the Natural Healing Institute of Naturopathy permission to use this letter or any part of it in any advertisement or school literature.

A Certificate of Accreditation will be mailed within the next two weeks.

Sincerely,

Donald A. Rosenthal, M.D., N.D.
